

☞ PLEASE DO NOT TOW! ☞

I have gone...

GEOCACHING

...the sport where *YOU* are the search engine™!

Geocaching is an outdoor sport in which caches of items are hidden in non-obvious places and their location posted for others to find. The longitude and latitude are published, sometimes with additional hints. Hunters with GPS receivers then venture to the site and try to find the container. More information can be found at:

www.geocaching.com

Expected to return at: _____AM/PM

**If I've not returned by: _____AM/PM, please contact the authorities
and provide the following information:**

In search of cache: _____

Coordinates: N ___° __.____ W ___° __.____

In case of emergency, please contact:

_____, _____, _____
(Name, Phone, Address)
